

IN MEMORIAM

DELAWARE'S VIETNAM CASUALTIES

The Vietnam Veterans of America Chapter 83 memorial in Wilmington lists 166 Delawareans who lost their lives in the Vietnam War. The names of those casualties appear here, in chronological order by date of death. Information was taken primarily from the database of the Vietnam Veterans Memorial in Washington, D.C. For some of the servicemen listed, the Wall's database makes no reference to any Delaware connection. Also, in that database, there are two entries for James R. Adams and three for George E. Jones, but none contain information linking those servicemen to Delaware, so information about their service is not included here. There is no listing for a Charles G. Stoeckel in the Wall's database.
